Legion Boys Coming

Station Agent Moore is in receipt of a communication from the general passenger agent of the Burlington stating that two trains bearing members of the American Legion from Nebraska to the annual convention at New Orleans, will stop in Laclede on Saturday, October 14, to visit the former home of General Pershing. The details of their visit is now being worked out and the train schedule made up. The matter of their reception here has been placed in the hands of the local Legion post and the officers and members will get busy at once on their plans. The suggestion has been made that our annual agricultural fair be held that day in connection with the coming of the Legion boys. The matter is to be considered at a public meeting to be called soon.

Republican Committee Meeting

The new republican county central committee met at Linneus Tuesday, all townships being represented. The committee organized by electing J. D. Ramsey for judge of eastern district; and John M. Fishback for judge of western district. Candidates for representative and probate judge will be named at a later meeting. Hers No Bed of Roses

The life of a motion picture star is anything but a bed of roses, especially during the hot summer days when all of Southern California is migrating to the beaches of the Pacific, according to Enid Bennett, whose latest Paramount picture, "Her Husband's Friend," is to be shown at the Laclede theatre Saturday night.

Miss Bennett loves to swim and spends a large part of the time in which she is not working in the Thomas H. Ince Studios, on the nearby beach at Santa Monica. However, the beach means sunburn and a heavy coat of irregular tan doesn't look well with an evening gown. So Miss Bennett manages to get in "her dips in the surf, but all of her sunbaths on the beach must be taken beneath the protection of a wide-spreading umbrella.

There is an unusually heavy traffic of auto tourists now and cars are going over the Ocean to Ocean highway from every state in the union.

At present railroad employes transport the mail between the office and station.

Mr. and Mrs. Grant Hendrickson and daughter, Miss Mellie, of St. Joseph, traveling in a fine new Mitchell touring car, visited old time friends in Laclede Saturday. They were accompanied by Mr. Lindley, also of St. Joseph. Mr. and Mrs. Hendrickson moved from Laclede to St. Joseph 35 years ago, and notwithstanding their long absence they found many of their old friends here, all glad to see them. Mr. Hendrickson is still in the train service, being a conductor on the Rock Island out of Trenton.

Rev. Edward R. Kelley, pastor of the Laclede Methodist church, has announced that at the close of this conference year he will retire from pastoral work and enter the evangelistic field, in which he has worked several years in the past. He left Monday to hold a two weeks' meeting at Redman, Macon county. Mr. Kelley's sermons are attracting wide attention. He received a wire from the St. Louis Daily Times last Saturday asking for a copy of his sermon to be given Sunday morning, "What of the Jew? Has he a Future? If so, What?" the St. Louis paper getting his subject from his announcement in The Blade. The manuscript was furnished.

American Legion Post For Laclede

Exservice men of Laclede and vicinity met last Thursday night and organized a post of American Legion with eighteen charter members. In honor of General Pershing, whose boyhood days were spent in Laclede, it will be known as "Pershing's Old Home" post.

The membership roll is open and many more are expected to join and the new organization promises to be a live bunch.

The officers elected were Orville Mahurin, post commander; Clifford Shell, vice commander; Harold Standly, adjutant; William Bassett, finance officer and Fred Anderson, sergeant-at-arms.

The post will meet again next Thursday night, August 24.

A. J. Caywood and Mrs. Vivia Rowland attended a meeting of the republican county central committee at Linneus Tuesday. The committee will meet again in Linneus next Monday afternoon to complete some unfinished business and lay plans for the campaign.

A dozen or more Laclede Woodmen attended the county class adoption at Brookfield last Monday night. Of the class of 220, 158 were adopted. There was a large attendance from all parts of the county and many from adjoining counties. The Hannibal forrester team had charge of the work and it was certainly worth seeing.
